The uncommon modular Circle Bench System has a lot of variations. You can choose which kind of usage is ideal for you. Each piece of furniture is possible to connect together and changes shapes for final compositions. The modularity gives to user divergent possibilities. This furniture is suited for retail, offices and open spaces. The special surface treatment with authentic colour is possible to choose on request.

Circle Bench System / modular collection, 2020, hand — stained plywood,

Plody studio is focused on bespoke furniture and interiors.
